CASE STUDIES – PART #2 OF THE COURSE

For the five weeks from February 28 through March 30 (with one week off for Spring Break) we will have two primary tasks: first, examine a set of case studies and, second, begin the group projects. In our Tuesday and Thursday classes during this time, we will be discussing the case studies. Out of class, you will start work on the team projects for Part #3.

Schedule (for all four weeks of class meetings in Part #2)

Tuesday & Thursday

Out of class

NOTES:

1) On Tuesday, February 28, I will give the introduction to Part #3 of the course. You will receive
   ➔ The membership lists for the teams
   ➔ The assignment for the project in Part #3
   This will be an important class. BE THERE!

2) The materials for the Case Group Discussions will be distributed as we go along during Part #2 of the course.
