Aries
(April 21-April 20)
Yesterday’s social differences will make this week more manageable. Positive social events or unique celebrations will occur. Key officials will demand projects completed and be maintained. South social and emotional activities may be more demanding.

Taurus
(April 21-May 20)
Younger friends or relatives may soon request more of your emotional focus. Postponed social events or unique celebrations will occur. This week will create some group opportunities. Allow old ideas or past experiences to fade. Loved ones will follow your example.

Gemini
(May 21-June 21)
Previously dry or withdrawn friends will this week discuss their own personal issues. Declaration of love, private romantic promises or family dysfunctions may be highlighted. Social demands may prove draining. Remain quietly cautious but do encourage openness and balance with others. At mid-week, a powerful wave of renewed business ambition arises. Much is changing. Stay open and study yesterday’s documents or postponed projects for valuable clues.

Cancer
(June 22-July 22)
Family activities and daily financial habits may be this week required to create further planning. Early Thursday friends or local ones may rearrange housing plans or jobs and create further costs. New contracts or revised goals may be needed. Wednesday through Thursday watch for the return of an old friend or past lover. Romantic and social relationships may now require bold, public discussion. Remain determined.

Leo
(July 23-Aug. 22)
Over the next six days a close friend may be returned to an outdated family. Family or friends may now ask for more of your emotional focus. The following week concerns may be more draining.

Virgo
(Aug. 23-Sept. 22)
This week a close colleague may offer an explanation or subtle apology for recent comments. Respond with enthusiasm and let social mistakes fade. This is not a good time to openly challenge some friends or loved ones. Romantic and social relationships may now require bold, public discussion. Remain determined.

Libra
(Sept. 23-Oct. 22)
Proposed love affairs this week may create unexpected social complications. If so, expect unusual or inappropriate flirtations to be more of a strong concern. Set firm boundaries and expect others to respect your wishes. After mid-week new study business proposals and financial strategies may be offered. Loved ones will require guidance and reassurance. Don’t hesitate to offer your past experiences for discussion. Close friends and relatives may now need your support or your forgiveness.

Scorpio
(Oct. 23-Nov. 22)
Employment or financial negotiations may soon be temporarily delayed. Over the next few days new social or financial contracts for unrealistic contracts. Some Scorpios this week may need to challenge long-term employment or business methods. If so, expect no assistance from colleagues. Wednesday through Saturday watch for a friend or an opportunity to openly discuss a recent romantic or social disappointment. Provide a new perspective: loved ones need your guidance and support.

Sagittarius
(Nov. 23-Dec. 21)
For many Sagittarians romantic overtures will be intense over the next few days. Respond with honesty. At present, potential lovers or new friends need to know your boundaries, limits or expectations. After Wednesday watch for an unusual financial message from a trusted friend or business partner. After mid-week and new business partnerships are highlighted. Take extra time for detailed evaluation. Paperwork, signed documents and calculating will prove highly distracting.

Capricorn
(Dec. 22-Jan. 20)
Social expansion may this week become a continuing theme. Monday through Wednesday expect close relatives or romantic partners to introduce new friends or unique forms of entertainment. New friends or revised goals may now make demands on your time. Some Scorpios may this week need to challenge long-term employment or business methods. If so, expect no assistance from colleagues. Tuesday through Friday watch for a friend or an opportunity to openly discuss a recent romantic or social disappointment. Provide a new perspective: loved ones need your guidance and support.

Aquarius
(Jan. 20-Feb. 18)
Workplace communications may be difficult to define this week. After weekend poor instructions, misinformation or wrong calculations will be harmless. Long-term projects or complex assignments may soon be canceled. Let old officials handle small details. Tuesday through Friday watch for a complex social or romantic relationships to quickly intensify. Family obligations or expanding social demands may be a key source of concern. Remain optimistic: all is well.

Pisces
(Feb. 19-March 20)
Long-term romance may soon be a top priority. Before mid-week a colleague or friend may introduce new acquaintances, social events or activities. Be receptive. This is a strong time for fresh activities and clear emotions between potential mates. After Wednesday a past friend or trusted colleague may propose an unpaid partnership. Evaluate all vital documents and daily business practices. New career or financial ventures will require extra time and careful planning.

If your birthday is this week... new job promotions may now be temporarily postponed. Over the next 11 weeks expect key officials to return to past methods or slow down the progress of vital projects. Remain optimistic, however; and respond quickly to new accomplishments. Mid-June: Areas of new interest may include team management, office expansion or creative business research. After July, 17th love relationships will require extra discussion and new rules. By early September relationships that are intended to stay in your life will have been restructured or permanently redefined. Friends and lovers will propose unique living arrangements: stay open to new suggestions.
