

COSBI

IN A WORLD RULED BY SCIENCE AND COMPUTER SCIENCE, 28 SCIENTISTS, ANIMAL RIGHTS ACTIVISTS, DECIDED TO SAVE THE EXPERIMENTAL ANIMALS, WITH BIOINFORMATICS.

ONE DAY AN E-MAIL ARRIVED, FROM A WIZARD WHO THREATEN THEM TO SABOTAGE THE COSBI.

TERRIFIED, THEY ESCAPED AND INVENTED A LANGUAGE MORE COMPLICATED THAN SMS WHICH COULD BE READ ONLY BY A COMPUTER: **BLENX**

BY MARIANNA

BUT AFTER A WHILE THE WIZARD FOUND THE NEW CENTER AND ONE NIGHT...

TANK TO THE ANCIENT ART OF MAGIC I DON'T NEED THE PASSWORD. I ONLY NEED TO PRONUNCE THE VERY UNKNOWN MAGIC WORDS.
